Alle Spannungsangaben sind auf +bezogen.

Alle Spannungswerte sind mit einem 50 kΩ/V-Instrument gemessen und auf Plus bezogen. Bereich: UKW ohne Signal.

All voltages are measured without RF-Signal on VHF-FM with an instrument of 50 k-ohms/V against positiv pole.

Toutes les tensions sont mesurées sans signal avec voltmètre de 50 kOhm/V contre pôle positif (sur FM).

Alle spanningen gemeten zonder signaal op FM met een voltmeter 50 kOhm/V tegen plus.
