

mon bout de programme que je voudrais
insérer

```
int brightness;
int pin;

{pin=2;      int brightness =255;
              analogWrite(pin, brightness);}
              {pin=22;      digitalWrite(pin,HIGH);
              pinMode(pin, OUTPUT);}
              {pin=23;      digitalWrite(pin,LOW);
              pinMode(pin, OUTPUT);}
